FASHION ON THE ROCKS

Roberto Cavalli Vodka is the first Premium Vodka made entirely in Italy; inspired and dedicated to Roberto Cavalli style, renowned worldwide for the optimism, and joie de vivre, he expresses in his collections.

The perfect example of Italian tradition and heritage of one of the top distillers, Roberto Cavalli Vodka is sophisticated, elegant and dedicated to the most discerning palates.

Using spring water from the foot of Monte Rosa, whose naturally low mineral content means it does not need distilling, Roberto Cavalli Vodka is made from the best qualities of wheat grown in the valleys where the south-western Alps meet the Po River.

The alcohol is skillfully distilled to achieve perfection. Four columns for the first stage of distillation, a special copper still to complete the procedure and then filtering through Carrara marble flakes: only in this way can Roberto Cavalli Vodka achieve absolute purity. Bottling in small batches gives it its exclusive character.

The resulting taste is unique and clean, with neutral aromas and just a hint of cream and citrus rind.

Roberto Cavalli Vodka received "Gold Medal" at San Francisco World Spirits Competition, and received "Gold Medal" with "90 points" and special mention "Exceptional" by the International Review of Spirits.
